The screenshot shows the ULI Europe Profile dashboard. At the top left is the ULI Urban Land Institute logo. At the top right are navigation links: Dashboard, Profile, Password, Activity, Billing, and Communications. The main heading is "Welcome to Your ULI Dashboard" with a subtext: "This is the central location for your ULI activities, including membership, event registrations, and donation information." On the right, there is a progress bar showing "58%" completion and the text "Your profile is 58% complete". Below this, it says "Completing your profile allows us to recommend ULI content—including events, latest global and local reports, and webinars—aligned with your preferred interests. For ULI members, your".

The "Events" section is titled "YOUR UPCOMING EVENTS" and features a card for the "2025 ULI Europe Conference" with a cityscape image. The text on the card reads: "You are registered to attend 2025 ULI Europe Conference happening on Jun 16, 2025 - Jun 19, 2025." Below this is a section titled "LAST ATTENDED" which is currently empty.

At the bottom of the dashboard, there is a sidebar with two menu items: "List of Your Sessions" and "Payment Information", each with an upward-pointing arrow. To the right of these items is a green button labeled "ADD SESSIONS".

Orange arrows from the text on the left point to specific elements: one points to the "Activity" link in the top navigation, another points to the "2025 ULI Europe Conference" card, and a third points to the "ADD SESSIONS" button.

Sustainability at the Europe Conference

- At ULI Europe Conference Berlin 2026, we are committed to hosting an event that prioritises sustainability and minimises our environmental impact. We recognise the importance of creating experiences that are both enjoyable and responsible. Our sustainability goals include:
- **Waste Reduction:** We aim to minimise waste by promoting attendees to confirm their attendance for our Conference Dinner to minimise food waste and encouraging recycling throughout all our events during the week.
- **Local Sourcing:** To support local communities and reduce transportation emissions, we will work with local vendors caterers and feature sustainable food options with a focus on plant-based choices where possible.
- **Transportation:** We encourage attendees to use public transport, share with delegates, or opt for green transport options like biking and walking.
- **Eco-friendly Materials:** We are committed to using environmentally friendly event materials, including signage made from recycled materials, and will avoid unnecessary print materials by offering digital resources where possible.
